Dear Mr. Lowden,

Thank you for your generous support of the Division of Emergency Medicine at Childrens Hospital Los Angeles. Your generosity helps Childrens Hospital provide care for the most seriously ill and injured children. The Division of Emergency Medicine is a Level One Pediatric Trauma center that treats almost 60,000 children annually. Due to drastic reductions in federal and state funding, 11 emergency departments have closed in Los Angeles since 2005. 75-80% of the children treated in the Childrens Hospital Los Angeles Emergency Department live at or below the poverty level.

I hope you will be able to continue your support of Childrens Hospital Los Angeles by participating in the 3rd Annual Kids on the Run 5K/10K and Tot Trot. The event, taking place on Sunday, February 17, 2008, will be held at the Rose Bowl in Pasadena and will once again be a fantastic event for the whole family.

Registration for the race will open on December 1 at www.kidsontherun.net. We hope you will join us at the event. If you would like to support us with a more substantial donation or sponsorship, a menu of opportunities is enclosed.

Thank you again for your continued support. Have a happy and safe holiday season.

Regards,

Dear Mr. Zisler:

On behalf of the entire PATH family and the 4,500 individuals and families we serve each year, thank you for your generous gift. Your contribution will help to *break the cycle of homelessness* in people's lives by giving them the resources to find work, secure housing and experience lasting change in their lives.

Since 1984, PATH has been pioneering effective and innovative solutions that respond to the diverse needs of homeless individuals. Whether it is reaching out to a homeless man living under a bridge, or helping a family move into their own apartment, our staff and services help to empower people with the life skills and resources they need to move to the next phase of self-sufficiency.

In 2002, we opened the *PATHMall*, a nationally recognized "multi-service center" that brings together over 20 agencies under one roof. To learn more about the *PATHMall* and our other collaborative approaches to ending homelessness, visit our website at www.ePATH.org. We also invite you to join the latest dialogue on homelessness in LA at <http://lahomelessblog.org/>.

If you have not already done so, we invite you to visit the *PATHMall* at our Regional Homeless Center. For more information or to arrange a tour, feel free to contact me or Jennifer Chang at (323) 644-2214. In the meantime, please find enclosed a copy our most recent edition of *PATHLines* magazine, a community publication which provides an open public forum regarding issues surrounding homelessness in our neighborhoods and nation.

Thank you for your partnership in helping to end homelessness in our communities.

Sincerely,
