

Dear Owner:

In the worst financial crises we have ever seen many tenants need help.

QUESTION:

- **Do you need advice on your lease but don't want to call a lawyer?**
- **Are you looking to lower your monthly payment but are stuck in a lease and don't know what to do?**
- **Is your lease coming due and you don't know how to negotiate better terms?**

If you answered YES to any one of the questions above you owe it to yourself to pick up the phone RIGHT NOW and call.

Sky West Brokerage, Inc. has over 20 years experience in commercial real estate and can help you.
